

# In Remembrance

Those we love  
never go away,

They walk  
beside  
us everyday,

Unseen,  
unheard,  
but always near,

Still loved, still  
missed and very  
dear.

thor65018@yahoo.com

**BLAND** — James E. Czeschin, 41, of Bland, has been charged with receiving stolen property and possession of a controlled substance following a search of his property on Dec. 21.

Deputy Dennis Sutton noted in his probable cause statement that the Gasconade County Sheriff's Office was told that Czeschin was in possession of a tractor reported stolen from Crown Power & Equipment in Mt. Sterling.

Gasconade Det. Lynde Mantels confirmed the tractor was on the property but had been burned. He located a serial number on the engine block, which matched the tractor reported stolen.

After securing a search warrant, Osage County and Gasconade County deputies contacted a male who was alone on the property. They permitted him to secure his dog, which he said would bite. While securing the dog, the man fled the scene on foot into a wooded area and evaded law enforcement. Sheriff Mike Bonham said he anticipates charges against the individual who ran from law enforcement.

Officers began searching the property, including the residence. Deputies saw a crystalline substance in plain view on a table in the living room. Officers executed a secondary search warrant, during which they found a glass smoking device and a small plastic bag containing a crystalline substance that field-tested positive for methamphetamine.

While the search of the residence was being conducted, Czeschin drove up to the scene. Mantels read him his Miranda warning and briefly spoke with him about the tractor. Czeschin claimed he located the burnt

tractor in Third Creek on his property and used his tractor to pull it onto his property.

However, when confronted about the burnt tractor on his property, Czeschin changed his story, saying another person brought the tractor to his property and he did not ask any questions as to where it came from.

Judge Sonya Brandt set bond at \$15,000 cash or surety after Sutton reminded the court of Czeschin's past.

The defendant has a lengthy criminal history that includes several felony convictions, including possession of a controlled substance (Maries County, 2020), tampering (Osage County, 2011), possession of a controlled substance (Maries County, 2011), second-degree burglary (Osage County, 2020), distribution/delivery controlled substance, (2015), possession of a firearm (Osage County, 2015), as well as a pending charges for receiving stolen property and possession of controlled substance in Osage County.

"committed systematic and pervasive violations of the Open Meetings (Sunshine) Law."

Alderman Adam Padgett said on Thursday that the board is trying to plan its response.

"I can't make a plan until I can see it and plan it myself," Padgett said. "We will have to look at what the comments are." At that time, Padgett said he had not read the petition in its entirety.

A summons was filed on Dec. 20 in William E. Hickie's 25th Circuit Court to be served by Jan. 19 to the city of Belle.

According to the summons, the board has 30 days from the issuance date to file its pleading in response to the petition with Missouri Attorney General's Counsel Jason Krol Lewis. (This is not the same Jason Lewis who briefly served as the city's public works director).

If the city fails to respond, judgment by default may be taken for the relief demanded in the petition, which could be up to \$6,000 per offense — around \$132,000 for 22 offenses.

"My office will serve the summons from the Attorney General's Office this week," Maries County Sheriff Chris Heitman said.

The city's former attorney Amanda Grellner submitted her resignation letter on Dec. 20 the Mayor Daryl White and the board.

"I send this letter as formal notice that I am hereby terminating my representation of the city of Belle in all matters. I understand there are a number of matters currently pending that would present a conflict for me on a number of fronts, as such, I believe it is best that I terminate my representation of the city as to all matters at this time."

The board met Friday in closed session to hire Todd Smith with Lauber Municipal Law who specializes in general municipal law with an interest in constitutional law and public safety issues. Minutes for the meeting were unavailable on Tuesday, according to Mayor Pro Tem Pudd Mitchell, as the board gave its copy to Smith.

The Belle Board of Aldermen will hold its scheduled meeting on Jan. 10 at the Lonnie Feeler Memorial Building. To be included on the agenda contact City Hall.
